Dear Parents/Carers,

Times Table Rockstars

On Friday 12th April we will be holding a re-launch day for Times Table Rockstars.

Times Tables Rock Stars is a maths programme that takes all the worry out of learning times tables. The programme has a proven track record of boosting children's fluency and recall in multiplication and division using a carefully sequenced programme of daily times tables practise.

Times Table Rockstars will be used by children in Year 2 and KS2. Log in details will be added to your child's diary.

To celebrate the launch on 12th April we are inviting children in **all** classes to come into school dressed as rockstars, anything to do with numbers or in brightly coloured clothing. Here are some ideas;

- their TT Rock Stars avatar
- a rockstar
- a domino, a calculator or a dice;
- anything number-themed or maths-related.

This day will be dedicated to fun and exciting maths, with a times tables focus, which we are sure, will further engage and inspire the children in their maths learning. The children will take part in practical maths activities and investigative maths which may be linked to stories, festivals, class topics, interesting images or objects.

Please join us at our end of day whole school celebration assembly where each class will share what they have been learning.

Yours sincerely

Miss Molloy

Maths Lead
